

Sponsorship Guide

2018 SPE Trinidad and Tobago Section Energy Resources Conference

The Conference

The Trinidad and Tobago Section of the Society of Petroleum Engineers (SPETT) will host the 5th biennial International SPE Energy Resources Conference and Exhibition at the Hyatt Regency Hotel in Port of Spain, Trinidad and Tobago on the 25th and 26th June 2017.

A vital group of energy professionals, top decision makers, industry leaders and regulators from the region and internationally will provide insights into the mechanisms required to cope with short and long-term challenges facing the upstream oil and gas industry. These mechanisms will require us, as we forge ahead, to adapt to changes in how we operate, face our challenges head on and position ourselves to take full advantages of opportunities as they arise. The conference is therefore appropriately themed: ***Forging Ahead: Changes, Challenges and Opportunities.***

The Conference highlights include:

- **Technical Agenda:** Over 70 peer selected technical papers and e-posters covering aspects from Enhanced Recovery, to Field Development and Management of Conventional Resources, Asset Management, Deep Water Exploration & Production, HSSE and more.
- **Feature Addresses by distinguished speakers**
- **SPE Training Courses**
- **Panel Sessions**
- **Young Professional Event:** Includes YP Meet and Greet with Industry, YP Interactive Workshop, Career Guidance and Awareness, Resume reviews.
- **Networking Experiences:** Opening ceremony, luncheon sessions, SPE and conference awards
- **Exhibition:** Showcase of relevant products, services and technology to develop business opportunities.

Sponsorship Benefits

The SPETT hosted Energy Resources Conference is the premier technical upstream energy event in the Caribbean and is hosted in accordance with SPE's mission statement to collect, disseminate and exchange technical information for the benefit of professionals, the industry and the public.

Sponsorship allows SPETT to host an affordable and memorable conference for our local and international delegates and to facilitate the implementation of our mission statement.

Sponsorship benefits tailored to maximize your exposure to the key group of conference delegates and the wider industry and to promote your company's brand.

Your commitment to, and support of this important conference will be fully acknowledged and recognised.

Overall packages include our customary Platinum, Gold and Silver sponsorship levels.

Specific sponsorship packages include our Monday Evening Networking Event, Luncheons, Delegate Registration Badges, Young Professional Event, Coffee Breaks, Special Prizes and Internet Access.

For more information or clarifications please contact our Secretariat at (868) 717-7388, visit us at www.spettconf.org or email us at info@spettconf.org.
